ID fraud detection & assistance

AVAILABLE TO YOU AT NO EXTRA COST AS PART OF
YOUR HOME & LEGACY HOME INSURANCE POLICY

Welcome

WELCOME TO YOUR ID FRAUD DETECTION AND ASSISTANCE PACKAGE, A VALUABLE FEATURE OF YOUR HOME & LEGACY HOME INSURANCE POLICY.

Your personal identity is a valuable asset and one that is worth protecting along with your home and possessions. That is why Home & Legacy has partnered with Experian to provide you – our policyholder and your spouse or partner – with ProtectMyID. This is an online personal data monitoring and alerts system to help you act quickly should you become a victim of identity fraud.

This benefit is included as standard on all Home & Legacy home insurance policies.

Identity fraud is often very difficult to detect until it is too late. Experian ProtectMyID acts as an early warning system, helping you to see where your information is appearing online and allowing you to take action if necessary.

PROTECTMYID GIVES YOU:

Alerts by text or email if certain changes occur within your Experian Credit Report

24 hour web monitoring and alerts if your personal information has been found online

Fraud resolution assistance – your own victim of fraud caseworker on a confidential helpline

Assisted sign up if you need help registering

Unlimited access to your Experian Credit Report
